### **Book Club Charter Club**

From time to time, we have a professional reviewer at our meetings. Usually we have members review the books. Sometimes, we go to lunch before or after the meetings. This is a way to get to know our neighbors better and make new friends. Each year, we sponsor a guided bus tour of Dallas or Fort Worth. We round out the year with a Holiday Luncheon with various guest speakers and book reviewers.

### **Daytime Quilt Charter Club**

We bring our own sewing machines and any supplies we need to work on or complete our own projects. The group shares extension power cords, a cutting boards, ironing boards and irons. Many of us come and stay all day. Some come only during the morning or the afternoon, and some can only spare a few hours. We bring our lunch, and always take time out for "show and tell". Sometimes we go on outings to local quilt shops to take advantage of sales or just see the latest and greatest that the quilt shops have to offer. We always have lunch out that day.

### **Jewelry Making Group**

The Jewelry Making Group is a fun opportunity to meet people and learn how to make original jewelry pieces. This class includes beginners as well as experienced! We have 2 classes a month that include learning or reinforcing techniques. The other weeks we work on unfinished projects and enjoy one another's company.

**Knitting Group**

All intermediate and advanced level knitters are welcome (no instruction provided)! We share ideas, patterns and take a few field trips to our local yarn shops.

**Nimble Thimbles Group**

Nimble Thimbles started in 2006 as the "Evening Quilt Group." Six ladies met with the idea to quilt and share ideas together. We made pillow cases for the Presbyterian Hospital and small cloth dolls for the Children's Hospital. In 2014 we changed our name to Nimble Thimbles. Our goal was to include everyone using a needle, thus the name change. We do a lot of stitching and have a lot of fun too. One meeting each month one of the members volunteers to demonstrate some instructional information pertaining to knitting, quilting, crocheting, needlework, etc...
