

## Games Group

### **42 Dominoes Group**

Play 42 Dominoes once a Week with the group.

### **Canasta Club**

We play 5 deck canasta and it is a timed game allowing us to change tables and play with different people. Since we need 4 people to a table, you must sign up to play a week in advance, so we have an accurate count each week.

### **Chess Group**

Chess is great way to keep your mind active and help you improve your memory, concentration, problem solving, focus, and a host of other mental activities. We're less concerned about winning or losing, and more concerned about just having a good time and enjoying the game of chess.

### **Chicken Foot Group**

Play Chicken Foot weekly with a group.

### **Couples Bridge Marathoners**

Ten couples play bridge once a month in individual homes. Each couple plays each other once, each accumulating their scores for the year. Annual party is in June...a catered dinner and the winners for the year are announced.

### **Couples Marathon Bridge**

Multiple neighborhoods are represented by 12 couples who play bridge once a month in individual's homes. The couples will come together as a group once a year in December to compare top scores and share a holiday meal.

### **Double Fours Pinochle**

No description

### **Duplicate Bridge Club**

Play will be up to 20 tables and no advanced sign-up is required. Currently there is an average of 56-60 players each week for 14 or more tables. Either pairs or singles can show up and will be able to play on a first-come basis. Singles will be paired with other singles. We will have either one or two Mitchell movements for the day, depending on the number of tables.

**Euchre Club**

Euchre is a trick-taking card game most commonly played with four people in two partnerships with a small deck of 24 standard playing cards from Ace through 9 in each suit. We play Euchre every at 6:30 pm every Wednesday night and every other Friday night. On alternate Fridays we play Double Deck Euchre. We play a tournament style game with players being randomly assigned to tables and partners at the start of the evening and changing partners after every round of play.

**Friday Fun Games Group**

No description.

**Friday Party Bridge Group**

Friday party bridge consists of a group of enthusiastic bridge players who love the game of bridge and are anxious to meet their new neighbors! Most players are experienced but all levels of play are welcome.
